### Description

Introducing a versatile lighting solution, the 4-inch ultra-thin recessed LED adjustable downlight with a built-in junction box. This innovative downlight offers a choice of 5 color temperatures (2700K, 3000K, 3500K, 4000K, 6000K), allowing you to select the perfect lighting tone without the concern of returning or exchanging products due to inappropriate color temperature. Additionally, it features smooth dimming capability ranging from 5% to 100%, compatible with a wide range of dimmers (refer to the compatible dimmer list). This not only provides customizable illumination but also ensures a hassle-free and convenient lighting experience.
