

Series Name EL-02 Outdoor Security Light

Specification

CCT	50K
Beam Angle	N/A
SDCM	N/A
Color Rendering Index	Ra≥80
Wattage	30
Input Voltage	120VAC
Lumens	N/A
Dimming option	N/A
Dimming range	N/A
Life span	50000H
Light Source Type	LED
Number of light sources	3
Mounting Type	Surface Mount
Product Dimension	N/A
Material	Aluminum, Plastic
Color	Black
Surface processes	Painting
Net Weight (Piece)	N/A
IP Rating	IP65

Description

The durable aluminum housing of the aim-able single, two, and three-head light fixtures ensures excellent heat dissipation. These fixtures feature precise optics for maximum efficiency, providing up to 70lm/W. With a 120V/60Hz input, they are available in a color temperature range of 2700-5000K, and a single CCT with a lens can make the CCT changeable. Additionally, they incorporate motion detection within 70 feet and built-in dusk-to-dawn photocell sensors. The timer options include one, five, or 10 minutes, along with an override option for constant-on mode. With an IP65 weatherproof rating, these fixtures are reliable in any weather condition.
