

Series Name SPL-02 Rectangle Skylight

Specification

CCT	Morning, Noon, Sunset, Starlight
Beam Angle	76° best use as wall washer
SDCM	SDCM≤7
Color Rendering Index	Ra≥90
Wattage	80W
Input Voltage	AC 120-277V
Lumens	3000lm
Dimming option	Control through tuya app, bluetooth/zigbee
Dimming range	N/A
Life span	50000H
Light Source Type	LED
Number of light sources	1
Mounting Type	flat, spring clip, and suspension
Product Dimension	Hole size: L22.5*W11.2inch. Product dimensions: L23.54*W11.73*H8.6inch.
Material	Aluminum, Plastic
Color	White trim
Surface processes	Painting
Net Weight (Piece)	N/A
IP Rating	IP40

Description

Introducing Skylight, an innovative smart artificial skylight designed to transform your indoor space. Controlled effortlessly via a mobile app or a user-friendly control panel, this cutting-edge technology offers an extensive color temperature range from 1800K to 10000K, mirroring the natural shifts of the sky throughout the day.

-Natural Sky Simulation:

Skylight faithfully mimics the natural Rayleigh scattering effect, recreating the vivid blue tones of the sky for an immersive experience. Its light prompts a natural response, inducing relaxation and a tranquil atmosphere, akin to gazing at the open sky.

-Enhanced Well-Being:

Beyond aesthetics, Skylight goes the extra mile to support your well-being. Its carefully calibrated lighting contributes to a healthier circadian rhythm, fostering improved cognitive function and overall wellness. Step into a space illuminated by Skylight and feel the difference—a seamless blend of technology and nature enhancing every moment of your day.

- Convenient Installation:

Offers multiple installation methods such as flat, spring clip, and suspension, ensuring easy and secure installation. Suitable for luxurious/star-rated hotels, villas, office spaces, and more.
