DESCRIPTION

This outdoor corridor LED wall sconce boasts a contemporary multiple design, offering a stylish aesthetic coupled with efficient illumination. Equipped with a CCT slider switch, users can seamlessly adjust the color temperature from 3000K to 4000K to 5000K, catering to various ambiance preferences. These lights feature smooth dimming capability ranging from 10% to 100%, surpassing standard LED dimmers. With a built-in driver and a durable aluminum base, they ensure longevity, while the ivory plastic lens cover enhances durability. ETL listing for wet locations ensures their suitability for diverse environmental conditions.
